Subject: FOR THE WANT OF A NAIL THE LONG JETTY SAILING CLUB

Hi Chris

For want of a nail the shoe was lost.
For want of a shoe the horse was lost.
For want of a horse the rider was lost.
For want of a rider the battle was lost.
For want of a battle the kingdom was lost.
And all for the want of a horseshoe nail.

For the want of some paint a building was lost.

It's just over a year that I presented to Wyong Shire Council on the Long Jetty Sailing Club. Two years since TEPCP and Council asked the Department of Lands to remove the Graffiti.

This is how it is today.

Regards
Doug

PRECINCT COMMITTEES TRY TO ENCOURAGE PRIDE IN LOCAL AREAS

One of the things that WSC implemented Precinct Committees to do was to establish pride in local areas

GRAFFITI HAS A NEGATIVE IMPACT ON THE PRESENTATION OF A SUBURB

Graffiti has a negative impact on the presentation of a suburb. The majority of people would agree that most graffiti is unattractive and detracts from the feel of a sense of community pride.

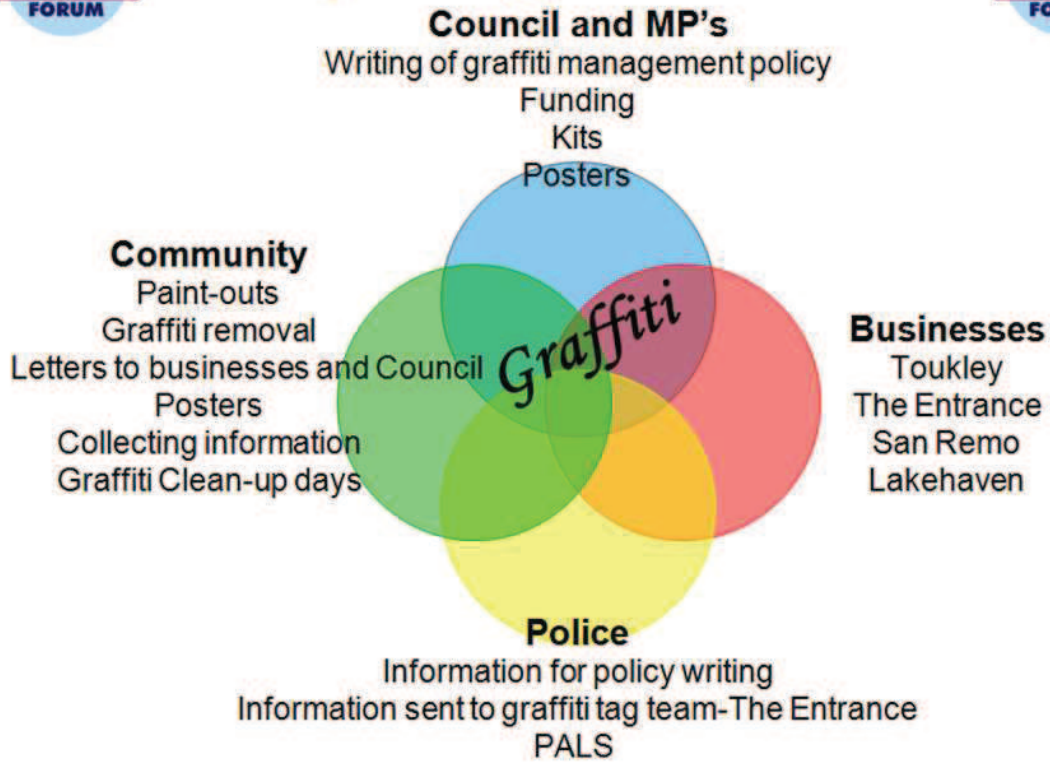

It can create fear in the community, particularly amongst the elderly, where residents believe that our streets are not safe

When Jillian Hogan, Services Manager of the San Remo Neighbourhood Centre established the Northern Wyong Shire Graffiti Forum, TEPCP realised that combating needed an integrated approach.

Integrated Approach to Graffiti

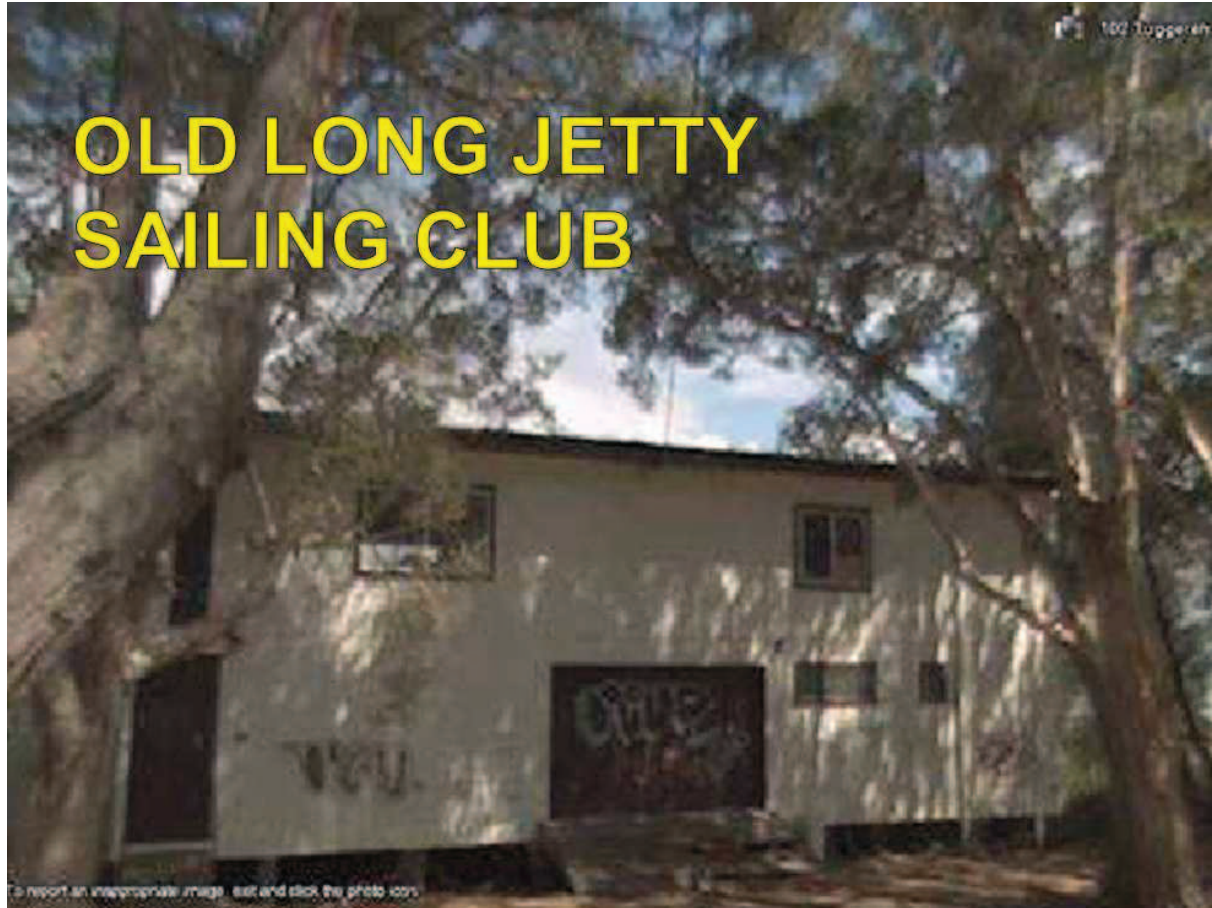

Involving Council and MP's, The Community, Businesses and the Police

The strategy adopted by TEPCP was to write to owner's encouraging rapid removal. It has been very successful.

TEPCP raises a service request for the removal of Graffiti from Council property. WSC has been very co-operative in it's Rapid Removal

The Old Long Jetty Sailing Club has been vacant for a number of years

Dear Mr Darlington

I refer to your Committee's representations requesting assistance in the clean-up of graffiti on two buildings on the foreshore at Long Jetty.

The Land and Property Management Authority (LPMA) has advised that the first of the buildings identified in your correspondence is an untenanted structure formerly held under licence by the Australian Volunteer Coast Guard Association. Prior to determining the long-term future use of this building the LPMA will contact Wyong Shire Council to assist with having the graffiti removed and if necessary, contribute to the relevant costs.

The other structure identified in your correspondence is on Crown land that has been reserved for boy scouts. The LPMA is making contact with Scouting Australia to address removal of the graffiti and to ascertain whether the property is surplus to scouting requirements. The LPMA will be in a better position to determine the future of this site once Scouting Australia has provided a formal response.

Should you require any further assistance in this matter Mr Anthony Signor, Program Manager, at LPMA's Maitland Office is available to assist and can be contacted on 4937 9332.

Yours faithfully

Tony Kelly MLC
