Dear Doug

Thank you for your letter of 9 July 2010 concerning the future of The Entrance Police Station.

Speculation about the closure of the Police Station at The Entrance has recently been raised in the media by the Liberal candidate for the State seat of The Entrance.

At that time I contacted the Minister for Police to get assurance that the station at the Entrance would remain open following the completion of the new head quarters for The Tuggerah Lakes Area Command located at Wyong.

The Minister confirmed that the new station at Wyong will accommodate all the administration and detective services and be the main control centre for the local area command and as such The Entrance Police station will revert to it's original design of ensuring adequate policing for the southern part of the command including The Entrance and Long Jetty areas.

The minister has advised me that The Entrance Police Station will remain open and be a full time fully manned local facility looking after the needs of local people.

Yours sincerely
