On 16 November, 2010 at 7:00pm, the then RTA's Central Coast Manager, Glenn Weymer and Central Coast Network Manager, Craig Leckie, made a presentation on "Strategic Planning for The Central Coast Highway through Long Jetty and The Entrance" to The Entrance Peninsula Community Precinct Committee. Glenn Wemer advised that the option presented was a concept design based upon aerial photography with no detailed physical survey, thus dimensions are approximate only. This Information application seeks a copy of the concept layout upon which the presentation was based.

NOTE: You should supply any additional information that you feel will support your claim for access to the documents/information.

Please check (x) the boxes below if you agree to the release of the following information to any other (third) parties the RTA may be required to consult in order to process this application. This information will assist the third party to understand why you are seeking their information.
